Abeunt Studia in Mores "Pursuits Become Habits"

Pursuits, perhaps begun idly, may, when diligently followed, become lifelong habits which shape our personalities. The pursuit of knowledge is our main objective in high school. With the aid of a fine faculty and excellent equipment, many of us as we pursue knowledge, acquire three important habits: the habit of questioning, the habit of study, the habit of contemplation. Our pursuit of recreation during our high school years leads to our participation in clubs, athletics, and social events. Through these activities we develop the habits of cooperation and sportsmanship. As we, the students, develop personal habits during our four years at high school, the school itself develops traditions which remain for one student generation to the next and give the school its personality. On the following pages, we, the staff of the 1962 *Forest Trails*, present the pursuits, habits, and traditions of Lake Forest High School and its students.

ACADEMICS

Modern facilities, qualified teachers, an understanding guidance department, and an intelligent, progressive administration are great assets to the student in his pursuit of knowledge. Lake Forest High School has these four assets. Here, a student who desires knowledge will obtain knowledge. Nine departments offer us a variety of challenging courses. All students must take courses in English, mathematics, science, history, and physical education, but we may also choose courses in foreign languages, business education, applied arts, and fine arts. The coordination of the total academic program of the high school is facilitated by the traditional monthly meetings of Dr. Carter and the department chairmen.

ADMINISTRATION

DR CLYDE N. CARTER
Superintendent

CALLISON H. SIMON
*Assistant
Superintendent*

The stated purpose of the Lake Forest High School Board of Education and Administration is to provide maximum opportunity for optimum instruction, intellectual stimulation, and academic growth of the students. Specific duties are performed by individual members of the administrative group. Educational policy is formulated by the Board of Education. Dr. Carter is responsible for the general coordination of all divisions of the school system. Among Mr. Simon's duties are the supervision of the work in the Student Personnel Center and General Office, and the organization and administration of summer school. Mr. Newland, as his title suggests, is responsible for the financial affairs of the school. Mr. Sasso supervises the general care, maintenance, and operation of the school plant and grounds. Processing of transcripts and academic records is the responsibility of Miss Knox.

WITH GUIDANCE

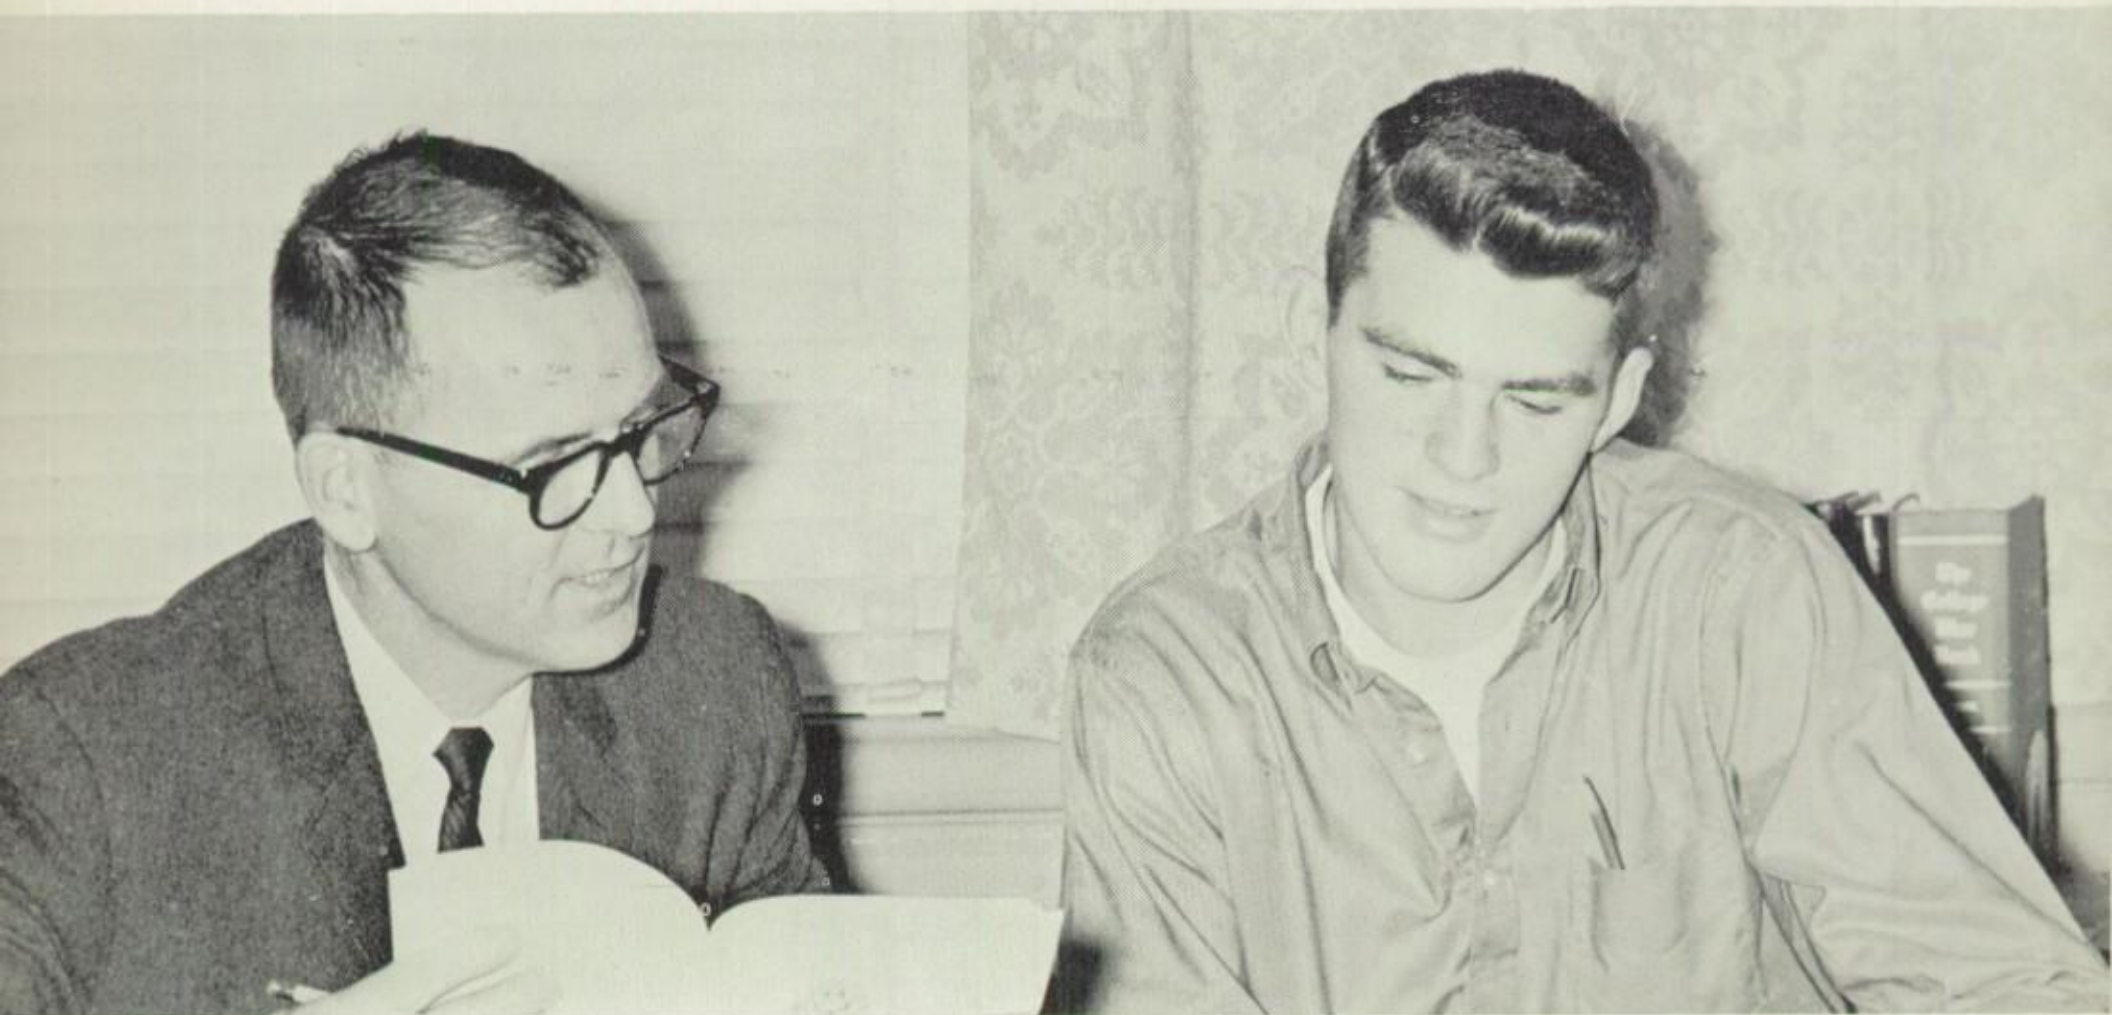

WE PLAN OUR FUTURE

The aim of the Guidance Department is to assist students with problems which face them now and to help students plan intelligently for the future. Counseling and testing are the two major functions of the department. Individual interviews with every member of the student body are conducted annually. Consultation concerning academic schedules, college planning, and vocational choice is available. Academic aptitude tests, scholarship tests, and personality tests are administered as part of the Guidance Department program. Results of all these tests are available to students in the individual interviews.

ENGLISH DEPARTMENT HELPS STUDENTS COMMUNICATE IDEAS CLEARLY

The English Department at Lake Forest High School has developed a multi-level program designed to give every student the best opportunity possible for pursuing knowledge in the area of English. There are four major levels: remedial English, college preparatory English, honors college preparatory English, and advanced placement English. Three years of English are required for graduation, but students may elect additional courses such as Linguistic Skills, Logical Thinking, Advanced Writing Techniques, American Studies, and Public Speaking.

The Science Department has recently expanded its program. This year Geology has been inserted in the traditional sequence of Biology, Chemistry, and Physics. During summer school, Botany and Zoology are offered. Biological Research and Honors Chemistry are available for students who show above average ability in science. General Science may be taken by students not wishing to major in science.

New equipment enables physics students Ray Reigner, Craig Lewis, Edee Leherissey, Henri Tacon, and Bob Johnson to pursue their studies in lab exercises.

CONVERSATION STRESSED IN FOREIGN LANGUAGE

Lake Forest High School offers five years study of French, four years of Latin and Spanish, and three years of German. A three-period-per-week course in Chinese is being taught for the first time this year. The Language Department stresses the everyday use of language. Many advanced classes are conducted entirely in the language being studied. Practice in oral comprehension is available to students in the language laboratory in the library, and portable laboratories provide practice right in the classroom.

BUSINESS EDUCATION EMPHASIZES OFFICE SKILLS

The Business Education Department offers courses of practical value. College typewriting and notehand are designed primarily for the college-bound student. Typewriting, Stenography, Accounting, and Office Practice are among the courses offered for vocational use. First-hand experience with modern office equipment is an integral part of several courses.

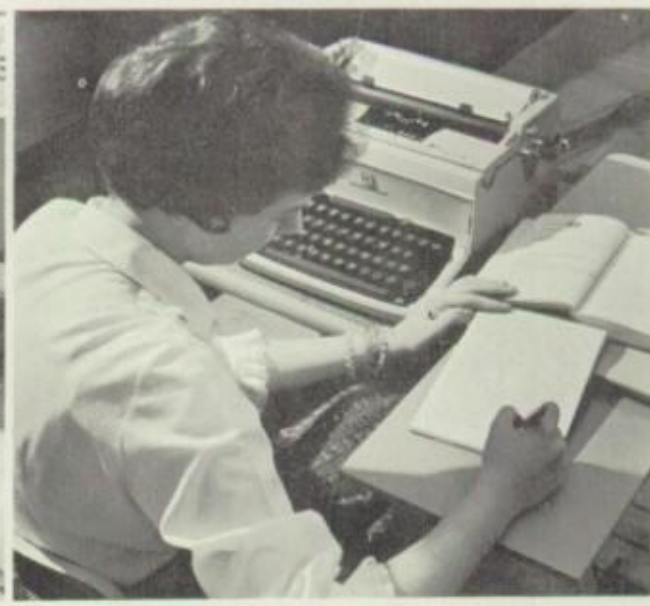

D. Baldwin, H. Hansen, K. Carpenter, J. Ostram, D. Hatcher, L. Pruim, J. Parks, E. Baker, K. Santschi, T. Kiesgen, M. McCaffrey, C. Brooks, A. Knoppel, N. Anderson, J. Sorensen, L. Anderson, P. Advanced typing students Bill Kaether, Dick Mayer, and Sherry McEnery strive for excellence.

A variety of equipment provides Sue Geraghty, Sheila Dunn, Diane Jackson, and Dianne Malela practical experience in office work.

Sue Seybold has learned that Shorthand aids in rapid notetaking.

Hollie Martin, Betty King, Joyce Grittani, Sherry Sloan, and Maureen Douglas are taught essential home-making skills by Miss Marcotte.

MODERN EQUIPMENT USED IN APPLIED ARTS

Included in the area of Applied Arts are Industrial Arts and Home Arts. Four years of drawing and four years of shop are offered in Industrial Arts. One semester electives available include Woodwork, Drafting, and Industrial Machines and Welding. In Home Arts, first semester courses are concerned primarily with foods while second semester courses deal with sewing and clothing design. Up-to-date equipment is provided for Applied Arts students.

Within the area of Fine Arts are regular courses in art, crafts, vocal music, instrumental music, and the summer school dramatics course. Two-period-per-week courses, Art Techniques and Crafts Techniques, are offered as well as the regular three year sequences in art and in crafts. Students may join the band, orchestra, or chorus and, with the approval of the instructor, may sing in the A Capella Choir in their junior and senior years. Individual instruction in instrumental music is offered band and orchestra members.

Art students J. Hurd, J. Dunkerton, J. Harding, S. Moe, C. Smith, M. McLeod, P. Wayland, D. Anderson, J. Daily, K. Kenyon, and J. Dettenmayer study action and form in Gayle Miller's pose.

ADDITIONAL SPECIALISTS

L. F. H. S. students have the benefit of the assistance of specially trained faculty members. Two courses not included in the nine departments are required by state law for graduation: Health and Driver Training. Health is taken two periods per week for one semester of the freshman year, while driver training is a one semester, three-period-per-week course for sophomores. When not in class, students spend periods either in study halls or in the library. With over 6300 books, 100 magazines, and many reference materials, the library is an excellent place for study or for browsing. Of special interest to the juniors and seniors is the college and vocational information section of the library. Mrs. Moore, who gives speech therapy, comes three days a week to give individual help to students needing it. A record is kept of each student's absence by Mrs. Bills, the school nurse and attendance officer.

Mrs. Bills checks in Sue Reysa, Julie Rawson, Tim Velo, and Sandy Morgan after absence.

SENIORS

Our pursuit of knowledge has finally brought us to our senior year and the traditional graduation ceremony. As we look to our future, we also occasionally look backward. As freshmen we were interested only in the present, our adjustment to high school. During our sophomore year, we became a more integral part of the school and its activities. We started making plans for the future in our junior year. Not until we were seniors, however, did most of us begin to realize the importance of the habits we developed as we pursued knowledge and recreation. These habits may be keys to our future. The traditions of the school will be among the memories of our past.

The Senior Class of 1962 elected E. Leherissey and J. Hazard, *co-presidents*; D. Codlin, *social chairman*; and R. Stark, *secretary-treasurer*.

CLASS OF 1962

Our high school life is drawing to a close. As seniors, we think about our future and plan intelligently for it. But in spite of the new seriousness of purpose which is ours, we find time to have fun and enjoy the traditions of the high school. Our big project as a class is the Senior Hop, held this year in March instead of in December as has been the custom. We enjoy watching the freshmen carefully avoid the Senior Star. Senior boys serve as captains of the varsity teams, and the presidents of most school organizations are seniors. The graduation ceremony, the most memorable tradition of our school, is a solemn time and a happy time. It marks the successful conclusion of our high school pursuits and the beginning of our adult pursuits.

UNDERCLASSMEN

The traditions of Lake Forest High School originated in the early years of the school's existence. Similarly, the habits which result from our pursuits of knowledge and recreation have their beginnings in our years as underclassmen. In our freshman year, the types of habits we will develop are first determined. The success of our adjustment to high school is closely related to the nature of the habits being developed. During our sophomore year, our habits can be recognized by others. Our attitudes and our achievements reflect the quality of these habits. As juniors, we must evaluate ourselves and our habits as we begin to think more seriously about our plans for the future.

FINE ARTS

Students wishing to pursue their interests in the area of fine arts have many opportunities to do so at Lake Forest High School. The talent of these people is developed, and the products of this talent are displayed in traditional public musical performances, arts and crafts exhibits, and literary publications. Thus, classroom knowledge is put into practical use and shared with other members of the school and the community. Knowledge gained in pursuit of these interests can either prepare us for careers in the future or encourage us to develop creative hobbies which will make our lives more enjoyable and productive.

Chorus behind the scenes.
Nancy Arnold and Judy Dionne

The chorus, concentrating on ensemble singing, is taught the basic theories of harmony and learns to sight read. The chorus performs throughout the year in school assemblies and participates in the annual Christmas and Spring Concerts given for the public.

SOUNDS OF MUSIC

A Cappella Choir, meeting two periods a week, is a selected group of junior and senior students with exceptional singing ability. The group performs unaccompanied at all major concerts and

also at special community events. Members of the strings class are combined with students from band to make up the school orchestra. This group presents selections at various high school programs.

DRAMATICS CLUB PRESENTS

This fall, the Dramatics Club sponsored the student presentation of George Bernard Shaw's *Arms and the Man*, a play satirizing the behavior and attitudes of late nineteenth century European society. The cast rehearsed for weeks before the two public performances. Hard-working production crews handled lighting, props, and costumes. More hours of hard work for both cast and crew preceded the spring production of Thornton Wilder's *The Matchmaker*, a farce in four acts.

TRAILS DEPICTS STUDENTS LIFE

Forest Trails, Lake Forest High School's yearbook, is published each year as the result of the work of students interested in a variety of fields: writing, photography, art, and selling. The yearbook provides for students a permanent record of the school year, and gives the public a glimpse of high school programs and life. A combined total of hundreds of hours of work is necessary to design the layout, take the pictures, write and type the copy, check the proof sheets, sell advertising space, and distribute the finished books.

ADVISORS: Mrs. Day and Mr. Swan

ORGANIZATIONS

Our pursuit of recreation has led to the formation of many organizations at Lake Forest High School. Participation in these activities develops our interests in fields such as music, languages, and science. Each club is sponsored by a faculty member who attends all meetings and advises club members. The full responsibility for the success of the club, however, is ours. Before a club may meet, interested students must petition the Student Council for a charter. This charter is renewed each September if students indicate continued interest in the club. As a result of participation in school organizations, we develop habits of cooperation and responsibility.

STUDENT COUNCIL: VOICE OF THE STUDENTS

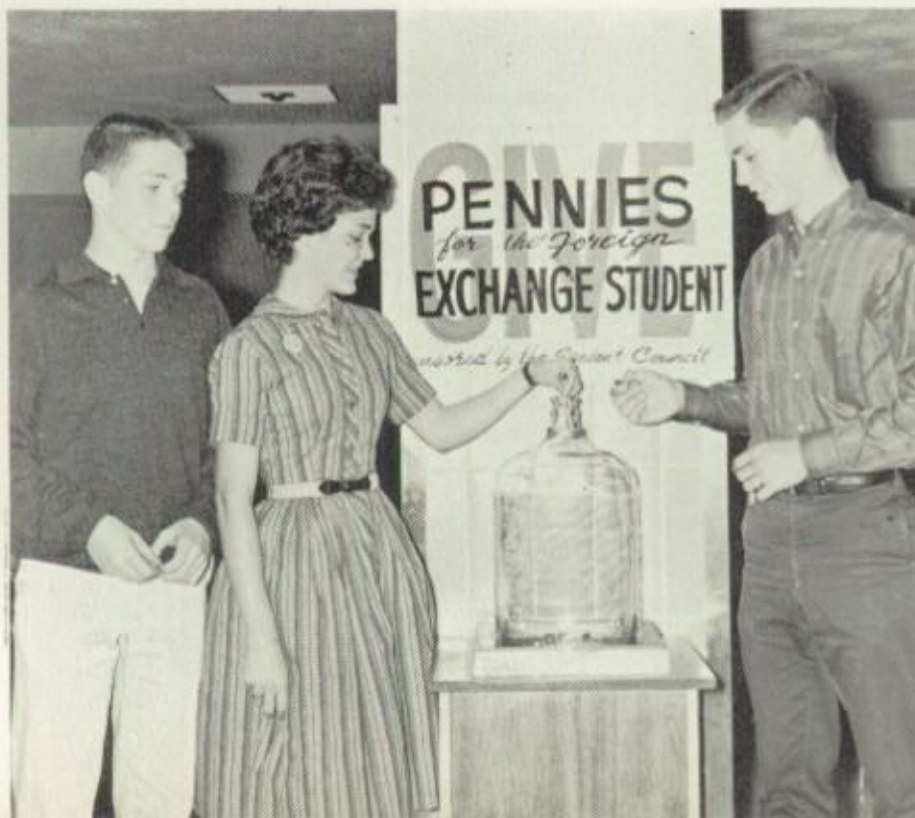

This year, Student Council has undertaken many projects. As a result of its efforts, a Foreign Exchange Student will attend Lake Forest High School next year. To finance this project, Council members sold programs at athletic events, ran the snack bar at basketball games, and placed the penny jar in the cafeteria. Another big project was the organization of Jeff Shields' successful campaign for president of the Northeast-Northwest District of the Illinois Association of Student Councils. The Council showed its interest in the welfare of people outside the school by sponsoring the canned foods drive and the March of Dimes.

ADVISORS: Mr. O'Dair and Mr. Schmalfuss

During weekly committee meetings, members make recommendations for future consideration.

SERVICE CLUB RAISES FUNDS

The Jerry Werhane Club is an honorary service organization which was formed by the students in memory of a classmate who was killed in an automobile accident. Each freshman class elects two boys and two girls to membership. Sock hops are held throughout the year to raise money to send deserving boys to camp. The members also work at old folks' homes and participate in service projects.

SOCIAL ACTIVITIES

As we develop academically through our pursuit of knowledge, we also develop socially through our pursuit of recreation. Much of our social life is informal—Friday night get-togethers at Cellar, sock hops after the big games—but through the years, five big dances have become traditional highlights of our social calendar. These dances are given as the result of planning and hard work on the part of many students and faculty members. Working together to present a successful dance develops in us cooperation, initiative, and leadership. While our main reason for attending the dances is to have fun, we benefit indirectly in another way: our social skills become polished.

"HALFTIME"

October 7 was one of the most exciting days of the school year. The morning parade, preceded by tired float builders' frantic preparations, was declared "the best ever" by all who worked on it. The afternoon game proved to be just as exciting as the morning parade, as the Scouts just squeezed by a battling Warren team. That night many couples enjoyed the "Halftime" dance, a perfect ending for an exciting day.

Final touches are added to the third place Student Council float by Laura [name], Earl Philip, Dan Bradshaw, [name] Wolfe Schroeder, and Ann Leffler.

Steve Ekdahl and Nancy Lasher are amused by the unusual murals at the Homecoming dance.

Co-captains Ray Fini and Rudy Deutschmann crown Judy Dionne Queen of Homecoming while Edee Leherissey and Joy Klinkmann, members of the court, look on. The girls' escorts are Dick DeBacher, Mike Sammon, and George Christensen.

CLASS OF '62

The climax of the Prom was the crowning of John Lindburg and Judy Dionne as the king and queen.

Linda Allison and Markku

"Juanita" Lindburg, "Earline" Philip, "Rudy-it's-you" Deutschmann, and "Jasmine" Hazard were the hit of the Prom floor show as they presented an interpretation of "Waltzing Matilda".

"SAYONARA"

receive favors from small

The Class of '62's "Plantation Paradise" was, as the Junior Prom should be, the biggest social event of the 1960-1961 school year. The decorations suggested the garden of a southern plantation. The multi-colored flowers were a perfect background for the girls' beautiful dresses.

As seniors, the Class of '62 presented "Sayonara". A gold Buddah was a prominent feature of the decorations. The Japanese tea house added real charm to the oriental dance.

Sue Aldridge sings "Moon River", another from her repertoire of folk songs, at the Hop.

Bill Amaden's date, Joy Klinkmann, seems to be a part of the Oriental setting at "Sayonara".

CELLAR OFFER

"Old Fashioned Christmas," complete with more than a mile of strung popcorn, was the successful Christmas Capers sponsored by Cellar. Many people renewed their acquaintance with alumni who attended the dance. The Friday night get-togethers at the Rec and the summer street dances provided welcome informal entertainment for Cellar members and also raised money for a scholarship given annually to a deserving Lake Forest High School senior.

Linda Brunet, Ken Pickard, Jim Snodgrass, Barb Cory, Gayle Oysler, and Geof Brazer dance in front of the "Old Fashioned Christmas" tree.

On February 17th, "Turnabout on Skis" was presented by the G.A.A. The girls worked diligently to create the romantic Swiss Ski Lodge atmosphere in which they entertained their dates.

The several sock hops given throughout the year raised money for various clubs and service organizations. Most of these dances followed athletic events and were very casual.

Tom Wilson, Chip Hixson, and Carl Thorne-Thomsen keep thirsty dancers supplied with coke.

ATHLETICS

A varied co-curricular athletic program for both boys and girls had been developed at Lake Forest High School as a result of the students' pursuit of recreation. The after-school intramural sports program gives all students opportunities to participate in a number of activities. Traditional interschool competition encourages a high level development of skills in team and individual sports and provides many exciting moments for spectators. Student interest has recently led to the addition of several new sports to the already varied interscholastic athletic program: swimming, cross country, baseball. Through our participation in athletics, we develop habits of cooperation and sportsmanship.

GRIDDERS WIN CONFERENCE CROWN

For the third year in a row, the Varsity gridders of Coach "Ike" Schillereff won the conference crown. By going undefeated, the school victory skein was extended to 22 games. While racking up this impressive record, the Scouts scored 159 points while the tough defense held the opposition to a meager 19. After narrowly edging Warren 13-6 at Homecoming and beating Grayslake 14-7 in the last minute on a defensive touchdown, the Scouts reached their peak against the previously undefeated Grant Bulldogs who fell before Schillereff's powerful machine 20-0. In the last two games of the season, the Scouts beat Antioch and Round Lake to cinch the crown.

A tie for fourth place in the Northwest Suburban Conference, a second place trophy in the Grayslake Holiday tourney, and the best finish since joining the conference were the results of the 1962 cage season. With a junior dominated line up, the Scouts finished the season with a 12-10 record. The highlight of the season for Mr. Robien's boys was a 76-58 upset of the first place Round Lake Panthers. Steve Ekdahl and Mark Weshinsky were both named to the all-conference team at the close of the season.

Although they lost their conference championship position, the grapplers of "Ike" Schillereff turned in a commendable performance as they finished third. Robbie Zabka, a sophomore, won the conference championship at 103 pounds. Last year he was conference champ at 95. Jim Kennett brought home the crown at 112. Bill Kruchko, Mike Sammon, Ray Fini, and Rudy Deutschmann all won second place medals. Deutschmann and Fini were co-captains of this year's team.

Mr. Barry's swimming team showed vast improvement this year as practically every school record was broken. The aquascouts won only two meets, both with Woodstock, but gave the opposition real competition in many others. The outstanding individual on this year's team was Bob Haslach, sophomore breast stroke artist, who took tenth in the state meet with a fine clocking of 1:07.5.

CINDERMEN SEEK CHAMPIONSHIP

Ray Dixon takes the handoff from Dick VanAuken on the last leg of the 440 relay.

Under the direction of Mr. Buckowich, the Lake Forest track team took to the cinders on April 14 with high hopes of equaling or bettering last year's fine record. In 1961, the Scouts took second in the conference and first in the County, Class "B". In addition to the usual number of dual meets, the Scouts were scheduled to participate in the Palatine Relays, the Mundelein Relays, the County meet, the Conference meet, and the District meet. Strong events for the Scouts this year were the 880 with Tuck Daniels, the 440 with Jim Kahle, and the high jump with Mark Weshinsky.

With three members of last year's Northwest Suburban Conference championship team returning, the season looked exceptionally bright for Coach McDermand and his varsity golfers. The returnees are Nesie Nisbet, a senior, who last year took home the third place medal in the conference; Charlie Rechlin, a fine sophomore, who as a freshman finished sixth; and Steve Ekdahl, a junior, who was among the top four golfers on the team last year. As usual, all home matches were played on the Deerpath Golf Course.

DIAMOND MEN CONTEND FOR CROWN

Bolstered by the return of eight lettermen plus some fine sophomores and transfer students, the varsity baseball team, coached by Mr. Braman, was an early season choice to be one of the top contenders for conference laurels. The diamond men have moved their home to South Park. The eight returnees are Earl Philip, Tom Lund, Tim Weigel, Bill Hinman, Don Johnson, John Lindburg, Dave Kreischer, and Bill Epmeier. Doug Halladay and Bill Chase, a pair of transfers, gave good accounts of themselves in early season games as did Tim Feemster and Tom Boese, sophomores.

FROSH-SOPH FIVE CHAMPS AGAIN

A near perfect 17-1 record was compiled this year by Mr. McDermand's Frosh-Soph cagers. The lone loss came in the last game of the season. This marks the third year in a row that the Frosh-Sophs have won the conference crown. The key to this year's trophy was a tight defense and balanced scoring. Steve Sarver and Ron Verbeke led the team in scoring while Sarver and freshman Frank Barth were the outstanding rebounders on the squad.

Andy Barr finds himself in a predicament.

With the Varsity's tradition of winning meets firmly in mind, the Frosh-Soph wrestlers, coached by Mr. Atwell, took to the mats to establish some tradition of their own. Many of the wrestlers were freshmen getting their first taste of wrestling action. The Junior Scouts enjoyed a successful season, compiling a 6-6 record. Individual pace setters were sophomores Bob Williams, Andy Barr, Ron Boggs, Carey Smith, Rich Van Auken, and Mike Lemm, and freshmen Charlie Bird and Mark Deutschmann.

With a nucleus of six sophomores who won their Frosh-Soph letters as freshmen, and a fine group of freshmen, Mr. Moreland's Fresh-Soph baseball team looked for a good season. The starting lineup for the first few games was: Ed Keating, a sophomore, at first base; Solly DeMarie, a freshman, at second base; Bill Loos, a freshman, at shortstop; Larry Short, a freshman, at third; Don Philip, a sophomore, and Chuck Johnson and Fred Kasper, freshmen, in the outfield; Bill Nielsen, a freshman, behind the plate; and sophomores Woody Dill and Proctor Anderson, starting pitchers.

Frosh-soph team members look confident as they wait for their turns at bat.

Jeff Brazer dives through the line for a substantial gain.

Bill Loos calls the signals.

FROSH VICTORIOUS IN FOOTBALL

For the third year in a row, the freshman football team under the leadership of Mr. Barry finished the season undefeated. A tough offense proved to be the key to victory. Unlike most freshman squads, this year's team was also strong defensively as only one touchdown was allowed all year, that coming in the last game of the year which was against Waukegan. Tom Morgan, speedy halfback, was the team's leading scorer.

Balanced scoring was the key to success in most of the victories with the entire team seeing a great deal of action. Top individual performers were Jack Sorenson who in one game scored thirty points, best performance by a Scout this year, and Larry Short, a dependable little 5'5" guard.

Working under the new constitution, G.A.A. conducted a full athletic program. In the first weeks of the school year, girls interested in becoming members signed up to participate in various sports programs. To get and retain membership in G.A.A., each girl must earn at least ten points per semester. Hard workers had a chance to show their talents when G.A.A. ambitiously sponsored its annual dance, this year called "Turnabout on Skis". Another yearly event sponsored by G.A.A. was the Big-Little Sister Party where the senior girls adopted freshman sisters.

While members were encouraging their teams with cheers, board members worked their way through the crowd selling their gay blue and gold pom-poms. GUPPIES BRING DISNEYLAND...

On one day each year, a group of girls is seen wandering around the school dressed in unmatching outfits and wearing no make-up. These are the Guppies-elect who must go through this ordeal before they are formally initiated into the Lake Forest High School swimming club. This year, soon after the new members had been properly ushered into the club, the group began work on its 1962 show, "Disneyland." Featured in the show were such numbers as "Frontierland" and "The Seven Dwarfs."

—Market Square and the Shopping Plaza—

20,000,000

words into type

A 6 x 9 - 250 page book published daily, more than 20,000,000 words a year—that's the fantastic quantity of information that poured off North Shore Life presses last year. It's a measure of the insatiable curiosity of people to know more and read more about their world. Everyday North Shore Life readers want more words that tell them of world, national, and local news events. It's good to remember that graduation is only the beginning of our quest for information and learning.
